

Course Aim

The course is intended for English colleges only and covers many aspects of the FEFC Inspectorate Spreadsheet and Funding Methodology facilities provided by Agresso QL Students.

Pre-requisites

The attendee should previously have attended the Agresso QL Students Desktop Navigation Training course and should have a basic knowledge of FEFC funding methodology and benchmarking of students' achievements.

Suggested Attendees

Those who are responsible for the FEFC benchmark comparisons and tariff planning including College nominee; Quality Assurance Manager; MIS Manager and Managers responsible for course costing of the financial aspect of student fees.

Course Content

- **Inspectorate Spreadsheet Background and Methodology**
The spreadsheet explained
- **Spreadsheet Production**
Importing ISRs and producing the 7 standard FEFC spreadsheets
- **Retention and Achievement Explorer**
Showing a breakdown of spreadsheet figures using a data navigation tool
- **Retention and Achievement Reporting**
Reporting of live data in comparison with imported ISR data
- **Tariff Units Production**
Tariff breakdown of live data according to FEFC methodology
- **Area of Study Cost Analysis**
Course costing spreadsheet against FEFC Funding
- **Tariff Planner**
Course level tariff prediction with user-defined variations

Course Objectives

The attendee will have a fuller understanding of the statistical analysis facilities within Agresso QL Students and be able to provide college-wide statistics, together with supportive breakdown figures.

Methodology

The theoretical aspects of management statistics will be explained followed by "hands on" tasks provided by the Seminar Leader to reinforce the aspects of the course.
